MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Speech at San Diego on 19 or 20 June  
Reserve Officers Association

You told Bill Pietsch that you would speak on the 19th. He is embarrassed to report that General Brown has been asked to speak the same day.

He suggests there are three alternatives.

- 1. You regret but agree to raincheck next year.
- 2. Accept and speak on another day from the day Brown speaks, i.e., on the 20th.
- 3. Regret but offer Dick Walters to stand in for you.

I have no strong feelings on any of them but if you go out, I hope you will not try to do it all in one day.

Assistant to the Director
